28 July 2009

Dear Stephen, David, Martin, Lisa, Graeme, Graham, Rob and Simon,

2009 CHERITON 6s

I am writing to confirm the draw and other details for the 16th Cheriton 6 a-side competition which will take place on Bank Holiday Monday, 31st August 2009 on the Cheriton Recreation Ground. I am pleased that your club is taking part.

Enclosed is a copy of the match schedule detailing the times of the games. Can I please draw your attention to the need to start each innings promptly in order that the day is completed in good light. In the event of rain on the day I will meet with those Captains present at 9.00am to confirm an amended start time and playing schedule as required.

You will also want to study the attached 6s Rules which are as last year, including the popular introduction of Power Plays and the Golden Ball [see Rule 8].

I have also enclosed a team sheet that you will need to complete and hand in at the Scorer's Table on the day. This will assist in keeping a record of the competition. In addition, I am arranging the rota for umpires to stand throughout the day and would request that your club take on these duties for an hour or two during the day – please forward to me, if you have not already done so, the details of who you can make available. I will then confirm the rotas before the day.

As always the Cheriton 6s takes place as part of the four-day Cheriton Cricket, Beer and Balloon Festival. We are thankful once again for the continued support we receive from the Flower Pots Inn and Brewery and would remind you of the many real ales that will be available throughout the weekend! This year all players will be able to enjoy a coffee & bacon roll on arrival, BBQ lunch and afternoon tea and cake. We hope that supporters and spectators will also take advantage of the BBQ and refreshments including beer and soft drinks from our own Beer Tent on the ground! For families, please note that there is an unsupervised children's playground on site!

Can I thank you for your support of our competition. If you have any questions relating to this letter or the 6s in general please contact me.

Yours,

PHILIP HOUSDEN
Competition Organiser
